

ISATPHONE BUSINESS CONTINUITY PLAN

FOR JAPAN, TAIWAN, PHILIPPINES, INDONESIA

ISATPHONE BUSINESS CONTINUITY PLAN (BCP) FOR JAPAN, TAIWAN, PHILIPPINES, INDONESIA

“About 90% of the world’s earthquakes and the four largest volcanic eruptions in the last 11,700 years occurred along the Ring of Fire”

When a telecoms network is disrupted due to natural disaster, power outage or any other events, the need for back-up communications is vital. Businesses need reliable and always-available connectivity to be able to continue operating as usual in the event that their telecom infrastructure is interrupted. And they need that backup connectivity to come with an affordable subscription plan.

COVERAGE

The IsatPhone BCP gives you global coverage with regional pricing.

The discounted rates within the Plan are charged when the call is initiated from*:

- Japan
- Taiwan
- Philippines
- Indonesia

* Including territorial waters (12 nmi)

Inmarsat’s Business Continuity Plan for GSPS is a monthly subscription plan that offers highly reliable voice, SMS and low speed data services at the most competitive rates, ensuring businesses can always communicate in the event of an emergency.

With no activation fee and with an inclusive 10 minutes of airtime per month it is easy to test your backup communications to ensure they are ready in case of a real emergency.

The IsatPhone BCP is compatible with and to be used for IsatPhone Pro and IsatPhone 2.
